Issue 23

Hadi, Bonjour and Hello,

Thank you to everyone who attended our Talk About Learning Time yesterday. We love any chance to talk about learning. If you weren't able to make it, don't hesitate to reach out to your child's teacher to set up a time to talk.

Yesterday we welcomed members of the Prince George Symphony Youth Orchestra to McLeod. Our student learned so much about music. I was so proud of them, they were an amazing audience!

Congratulations to two of our students who participated in the Central Interior Science Exhibition. Larissa Tait and Bentley Wiebe earned a 2nd place with their project, Cleaning Machines. Nice work scientists!

Our March Be a Bride pledge is **"I will invite everyone to be part of an activity."** We are working hard to do this for each other.

It is almost time for our 2025 Spring Break. We hope your break brings you and your family all you want and need. See you all on April 7th.

It is our goal to work together with you and the kids to help our McLeod students become adults who can take on the world. Please feel free to contact the school if you ever have any questions or concerns.

Proud to be McLeod
Ms. L. Hart

We would like to remind you that doors in our school are **locked** apart from the front door. Adults should **only** enter through the front door. Please **sign in and out** at the office. Please **do not go to classrooms** without permission from our office staff.

Calling all avid gardeners!

As spring approaches, the students at McLeod will be getting the Farm to School Garden ready. We have a large outside plot and a greenhouse we would love to fill up again this year. The school would appreciate your support through plant starter donations. We will accept all donations and make sure they get put to good use. Here is a quick list of plants we would like to grow in the garden this year:

- Tomatoes (all kinds)
- Peppers (all kinds)
- Cucumbers (all kinds)
- Potatoes (all kinds)
- Onions
- Pumpkins
- Squash
- Zucchini

All donations can be dropped off at the school, or can be arranged to be picked up, starting April 7th, 2025.

Thank you, in advance, for your support. Happy planting!

Please do not send bags of unpopped popcorn or the KD cups for lunches. It takes too long to cook in the microwave and we end up running out of time to eat. They also burn in the microwave too easily.

Thank you!
