Issue 21

Hadi, Bonjour and Hello,

We are very pleased to welcome Andrée Poulin to our school on Friday. Andrée is an award-winning Canadian writer who will be working with our French Immersion classes.

Our scientists will be showing their stuff at our McLeod Science Fair on Tuesday, February 11th in our library. We encourage you to stop by to see all their work. Thank you to Mme. Susie for her on-going leadership in this area.

Our grade 3 students have finished their 4 Ski S'kool lessons and they did so well. I hope many of them have a new passion for cross country skiing and that they will keep it up. Our grade 2 and 4 students will get a one-day intro/refresher on February 13th.

Have you ordered your Cougars tickets yet for the February 15th game? I hope many of you will join us there. We are so lucky that we have this chance because of our success in the Spirit of Healthy Kids Challenge. All the instructions for claiming the free student ticket and to order any extra tickets are included in the flyer that was sent home, last week. There is also a number to call if you have any issues and you can call the school if you need help too. The Prince George Cougars people have been so amazing to work with so far.

😊 Don't forget to show off your Proud to be McLeod at the game. Lots of McLeod and "Thank You Prince George Cougars and Northern Health!" shirts, signs and more would be amazing.

It is one month until our 12th Annual Proud to be McLeod Production hits the stage. This year it is "Alice in Wonderland." I think it's going to be a wonderful show and I can't wait for you to see it. Tickets are already on sale. Please mark you

calendars and don't miss over 80 super amazing kids on stage.

It is our goal to work together with you and the kids to help McLeod students USE THEIR HEADS AND THEIR HEARTS to be the children and adults who can take on the world. Please feel free to contact the school if you ever have any questions or concerns. We are in this together!

Proud to be McLeod

Ms. L. Hart
