Issue 9

Hadi, Bonjour and Hello,

Happy November!

Monday was a fun day! Lots of activities for our primary students and our intermediate students danced the afternoon away. Many thanks to our One McLeod Council who did all the planning, decorating and cleaning up for the dance. You are a wonderful team of leaders.

We did our retake and class pictures today. We also headed outside and did our panorama picture. We have created an "I" to finish off our "I love W. L. McLeod."

Congratulations to our grade 4 students who finished their FSAs (Foundation Skills Assessments) last week. I was truly impressed by their tenacity and hard work. They sure showed off everything in their amazing brains.

On November 7th a new/old face will be returning to our McLeod office. Ms. Lindsay is coming back after her maternity leave. We are very excited to welcome her back (and she has been a great help while she's been off too). At the same time, we have been very lucky to have some wonderful people in our office during this time. Ms. Tennille already headed to the high school earlier this year and now Ms. Irwin is going over there too. Thank you for all your hard and skilled work for the last while Nicole. We will miss you!

Remember, our theme this year is "Me, You and Us!" It is our goal to work together with you and the kids to help our McLeod students become adults who can take on the world. Please feel free to contact the school if you ever have any questions or concerns.

Proud to be McLeod

Ms. L. Hart

Strong Start is a free drop-in program here at our school for families with children 0-5 years old. We are open Monday to Thursday mornings 9:00am-12:00pm, and an extra evening class on Wednesdays 3:30pm-6:00pm. Closed on Fridays. Connect on our Facebook page: W.L. McLeod Strong Start, or email smeads@sd91.bc.ca

Our school goals are that our McLeod students will be:

1. Literate as evidenced by grade 3 students meeting grade level expectations in reading in PM Benchmarks/GB+.
2. Socially Responsible Citizens as monitored through the School Learning Survey.
3. Numerate as evidenced by grade 3 students meeting grade level expectations on the DNA.

STUDENT AFFORDABILITY FUND 2022-2023

As announced on August 29, 2022, the Province is helping to make back-to-school more affordable for students and their families who are struggling with rising costs of living due to global inflation. Through the Student and Family Affordability Fund, our school has received funding to ensure students are fed and have the school supplies they need to be successful this year. This one-time funding will help our school to expand food/school meal programs, make sure students have the school supplies they need, and cover any additional fees so that students in need can take part in activities, such as field trips and sports.

As you know, looking after each other is how we always do things at McLeod. If you have questions or ideas about how we can do this even more, please feel free to reach out to me. I'd love to hear from you if you have thoughts about how we can support each other more creatively and also if you or your family might need a little more yourself.

Take care!

Ms. Hart
