Issue 34

Hadi, Bonjour and Hello,

Happy June! We have one more month to fill with as much learning, kindness and caring as possible.

We would like to say thank you to Darren Carpenter of SD91 Career Programs and Casey Litton of NVSS who have helped to organize field trips for some of our classes to the Redmond Wetlands. Our students are doing some amazing learning out at this amazing site.

We continue to work together with you and the kids to help our McLeod students become children and adults who can take on the world. Please feel free to contact the school if you ever have any questions or concerns. **WE'RE ALL IN THIS TOGETHER!**

Proud to be McLeod,
Ms. L. Hart

COMING SOON:

June 21: National Aboriginal Day

June 25: Report Cards Home

June 29: Last Day of School—Noon Dismissal

Tips to Raise Race-Conscious Children

- Cultivate compassion and tolerance at all times.
- Invite children to be curious about other cultures, races, and faiths.
- Create safe spaces for children to explore differences they notice between people.
- Recognize the similarities and celebrate differences: "We are all humans but we are all unique!"
- Get out of your bubble and encourage your children to be inclusive by enjoying other culture's food, movies, or books.
- Discuss injustice. Children at certain ages are attuned to being fair.
- Call out racism and discuss stereotypes and biases you observe.

Please check out our Lost and Found!

We will be recycling the winter lost and found mid-June.

Please don't forget to do the Daily Health Check each morning. We are very grateful to all our families who are working with us to follow the COVID-19 guidelines. You can do your health check through the app (BC K-12 Daily Health Checker) or this website:

<https://www.k12dailycheck.gov.bc.ca/healthcheck?execution=e1s1>

At the Board meeting on Monday, May 17, 2021, the following policy was given 1st reading:

- 500.2 – Appeals Procedures Bylaw

Please visit <https://www.sd91.bc.ca/apps/pages/policies-and-regulations> to view the draft policy and regulation. Please click on the “feedback” link located above the list of policies to send your comments via email. The closing date for comments is June 9, 2021.

Our school goals are that our McLeod students will be:

1. Literate as evidenced by grade 3 students meeting grade level expectations in reading in PM Benchmarks/GB+.
2. Socially Responsible Citizens as monitored through the School Learning Survey.
3. Numerate as evidenced by grade 3 students meeting grade level expectations on the DNA.

Let's all use our WITS at home and at school

Daily Health Check			
1. Key Symptoms of Illness*	Do you have any of the following key symptoms?	CIRCLE ONE	
	Fever	YES	NO
	Chills	YES	NO
	Cough or worsening of chronic cough	YES	NO
	Shortness of breath	YES	NO
	Loss of sense of smell or taste	YES	NO
	Diarrhea	YES	NO
	Nausea and vomiting	YES	NO
2. International Travel	Have you returned from travel outside Canada in the last 14 days?	YES	NO
3. Confirmed Contact	Are you a confirmed contact of a person confirmed to have COVID-19?	YES	NO

If you answered “YES” to one of the questions included under ‘Key Symptoms of Illness’ (excluding fever), your child should stay home for 24 hours from when the symptom started. If the symptom improves, your child may return to school when they feel well enough. If the symptom persists or worsens, seek a health assessment.

If you answered “YES” to two or more of the questions included under ‘Symptoms of Illness’ or your child has a fever, seek a health assessment. A health assessment includes calling 8-1-1, or a primary care provider like a physician or nurse practitioner. If a health assessment is required, your child should not return to school until COVID-19 has been excluded and symptoms have improved.

When a COVID-19 test is recommended by the health assessment:

- ☐ If the COVID-19 test is positive, your child should stay home until you are told by public health to end self-isolation. In most cases this is 10 days after the onset of symptoms. Public health will contact everyone with a positive test.
- ☐ If the COVID-19 test is negative, your child can return to school once symptoms have improved and they feel well enough. Symptoms of common respiratory illnesses can persist for a week or more. Re-testing is not needed unless you develop a new illness.
- ☐ If a COVID-19 test is recommended but is not done because you choose not to have the test, or you do not seek a health assessment when recommended, and symptoms are not related to a previously diagnosed health condition, your child should stay home from school until 10 days after the onset of symptoms, and then they may return if they are feeling well enough.

If a COVID-19 test is not recommended by the health assessment, your child can return to school when symptoms improve, and they feel well enough. Testing may not be recommended if the assessment determines that the symptoms are due to another cause (i.e. not COVID-19).

If you answered “YES” to questions 2 or 3, use the COVID-19 Self-Assessment Tool to determine if you should seek testing for COVID19.

A health-care provider note (i.e. a doctor’s note) is not required to confirm the health status of any individual.
