Issue 37

Hadi, Bonjour and Hello,

Our Intermediate Simple Machines Project is in action. There is sawing, hammering, screwing and creating happening all over our intermediate wing and outside. It's so exciting to see the beginnings of the projects and the learning growth that is happening as kids tackle this huge task. We hope you will be able to join us at 1:30 to 2:30 on Monday, June 27th (note new date) when the kids show off what they have created.

Our UBC Rural Education Practicum teachers are here. For the next few weeks they will be learning and teaching with us. We are so happy to welcome Ms. Shawna-Ann Tait and Ms. Celeste Flowers.

Thanks to those of you who joined us for the Welcome to Kindergarten BBQ yesterday. The weather was beautiful and it was incredible to meet so many new McLeod families. Our McLeod Cares Leaders for 2022-2023 did an amazing job with the stations and many thanks to Mrs. Gridley and Mme Gauthier for all their planning and work.

We have a special treat this Friday, Edward the Magician will be performing at us at 1:15 in our gym. Edward is a local from Stellat'en First Nation and we're so happy he is in the area so we could invite him to McLeod.

It is our goal to work together with you and the kids to help our McLeod students become adults who can take on the world. Please feel free to contact the school if you ever have any questions or concerns.

Proud to be McLeod

Ms. L. Hart

NOTES ON NUMBERS

The last type of indoor game that we will talk about is Dice games. You can play lots of dice games that are fun and focus on different skills such as adding, multiplying or probability. You can search out many fun games on the internet, some favourites are: Tenzi, Mountain and Beat That!

Honouring Caregivers and Special Loved Ones

At McLeod, we want to honour every family and every child. To make sure we can do that in a kind, caring and inclusive way, we will be shifting our focus from a traditional Father's Day approach to honouring the many different caregivers and special loved ones in our students' lives.
