DPAC Representative Report:

Meeting on September 25th in Fraser Lake.
School Board Trustee Steve attended the meeting. He explained enrollment is low across the district, which affects the budget and district has less money. Lots of openings for positions and there are a lot of EA not in classes. Discussed how some children are not able to come to class due to the support not being there. Lots of letter of permissions in the district. The Director of Aboriginal Education is back. Another Director

is on a leave so it was filled with someone from Burns Lake. There was discussion around the food programs and how it is different in each school. Steve will bring questions back to find out more.

If anyone is interested in attending for WL McLeod PAC at DPAC meetings let me know.

I am also the rep for NVSS so there is room to have more from WL McLeod as well.
