Issue 32

Hadi, Bonjour and Hello,

Please don't forget that this Friday is a Pro-d Day and there will be no school for students.

It's May so we will be working on assessments with students to continue to monitor learning for the year. In the next few weeks we will work to make sure we collect very good information about student's reading, writing and numeracy.

Our SD91 Share the Love Day 2024 is on May 17th this year. Please see the info about our McLeod day in this newsletter.

Don't forget, our theme this year is "An attitude of GRATITUDE." It is our goal to work together with you and the kids to help our McLeod students become adults who can take on the world. Please feel free to contact the school if you ever have any questions or concerns.

Proud to be McLeod
Ms. L. Hart

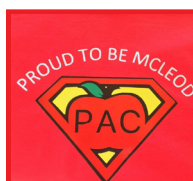

Please have all after-school messages to the office by 2:45 to ensure that we have time to get the message to the students.
Thanks! Lindsay

More McLeod News

Our PAC has sent home the Growing Smiles flower/plant fundraiser this week. If you have not received it, or need another order form, please let your child's teacher or Ms. Lindsay know.

May 17th is Share the Love Day and the theme across School District 91 is Allyship. To continue spreading the message of kindness, caring, and inclusion, we will be listening to an address by our superintendent Karla Mitchell, reading a beautiful book about kindness and community called *Be a Bridge*, and painting kindness rocks that will be delivered by our classes to locations across Vanderhoof. Students will also be invited to become Bridge Builders:

*I will be the one to reach out and say hello.
I will keep an open mind.
I will give my full attention when someone is speaking to make them feel seen, heard, and valued.
I will acknowledge other people's feelings.
I will offer encouragement instead of criticism.
I will talk positively about others.
I will invite everyone to be part of an activity.
I will flex my empathy muscles and try to understand another's viewpoint.
I will be myself.
I will give myself time for rest and reflection.*

If you'd like more information, please contact Candace Lawrence.

Calling all avid gardeners!

As spring approaches, the students at McLeod will be getting the Farm to School Garden ready. We have a large outside plot and a greenhouse we would love to fill up again this year. The school would appreciate your support through plant starter donations. We will accept all donations and make sure they get put to good use. Here is a quick list of plants we would like to grow in the garden this year:

- Tomatoes (all kinds)
- Peppers (all kinds)
- Cucumbers (all kinds)
- Potatoes (all kinds)
- Pumpkins
- Squash
- Zucchini

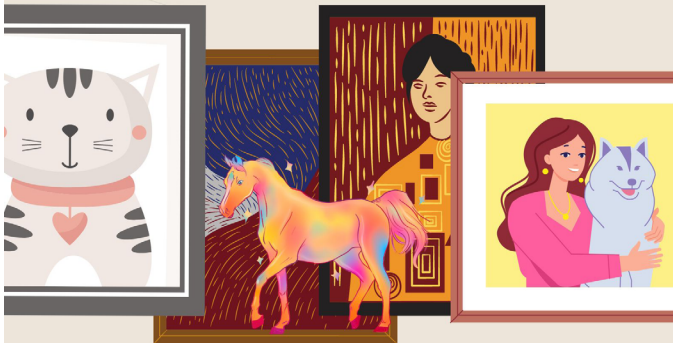

All donations can be dropped off at the school, or can be arranged to be picked up, starting April 8th, 2024.

Thank you, in advance, for your support. Happy planting!
