Chair's report:

Not present but sent report.

Read-a-thon packets set to go for next week. This will run from the 18th to 31st.

Craft fair went very well. It was a lot of fun and went very smoothly. Only one table no show which was surprising with the weather. Another vendor beside that table just spread her stuff out along the table so that it didn't look like we had a blank spot. Only had 2 vendor complaints on their table placements which is very low in comparison to normal. All vendors seemed very happy with the way it all went and we received a few thank you emails from vendors after it was over. Notes are in google drive.

Turkey dinner went well. Only myself and Maggie were able to show up for the Thursday food prep because the other volunteers had sickness in their households. On the day we ended up with way more volunteers than what we expected which was amazing! Every went very well. I sat down with Heather after it was done and we made notes for next year.

Attended the Christmas concert. It was very well done. Lots of good comments about how nice it was to watch from other parents/families.

Vice-Chair's report:

Craft Fair went well. Vendors raved about it.

Christmas concert was my fav.

Secretary's report:

Created agenda for this meeting

FB posts to reflect what is happening at school and working with Lindsay on this. It is great!

Craft Fair was great. Discussed suggestions for next year. Overall it was fun and heard great things about it. We had two for set up, and we really didn't need that the morning of as most set up the night before.

Helped at the Christmas dinner and had CSFS staff come along to serve. It was great! Started yearbook prep. Will send the start of it to Lindsay and Libby to get out to classes.

DPAC Representative Report:

Dave Christie and Rick Pooley did a presentation on School Trustee roles, governance, and policies. Anita McClinton was also there.

Robin did a presentation on the Food program.

Attended the board meeting and heard the Student Voice and France presentation.
