Issue 35

Hadi, Bonjour and Hello,

What a wonderful 2024-2025 it has been. I am so proud of all the work the kids have done to learn and most importantly be kind and caring. They have learned lots of skills to Be a Bridge that will help them to be a better human. Please encourage them to use these skills always.

Please read the info below about our new food ordering program that will start in September.

Our final assembly of the year is Thursday at 10:00. At that time, we will honour our year and our students. We hope you can join us. Kids will be dismissed at 12:00 that day.

See you on September 2nd. Have an amazing summer. McLeod family – YOU ARE LOVED!!!

Proud to be McLeod

Ms. L. Hart

School District 91 is moving to a new meal ordering program to replace MunchaLunch to start in September 2025. Meal Manage has been piloted at District secondary schools with great success. It is hoped it will address some of the shortfalls for the current MunchaLunch program. The following is an introductory letter from the SD91 Food Programs Department.

Re: Meal Manage

In rolling out Feeding Futures, the school district heard the need for an improved payment system. As such, School District 91 will be moving to a user-friendly online system to help manage lunch payments. MunchaLunch was used this past year, though has some challenges that impact the useability of the program. This includes MunchaLunch going offline June 30th – August 30th.

To align with other operations, the school district is moving to Meal Manage. Meal Manage works like MunchaLunch, with an improved layout. Other improvements:

Meal Manage has a pre-order system with a calendar view, making ordering meals quicker.

Meal Manage does not go offline for the summer. Ordering for September will be live shortly.

Meal Manage has an option to pre-load funds, which can then be used to pay for meals during the whole school year.

The online system continues to allow credit and debit payments. Cash and cheque are still accepted at the front office of the school.

****Please Note: HOW-TO SET UP AN ACCOUNT is posted on the WLM Website****

Frequently asked questions:

Q: *I have credits in MunchaLunch.*

A: *The credits are being moved over to Meal Manage.*

Q: *Students are missing from my account.*

A: *Please contact the school or rturnerklopper@sd91.bc.ca. Students are attached to accounts by email. It is possible the email is wrong on our end.*

SEPTEMBER MENU
