Issue 33

Hadi, Bonjour and Hello,

McLeod Elementary is the excited recipient of the Pollinator Award. This BC Farm to School award is new to Northern BC. It honours leadership in the principles of the Farm to School program. We are so proud of our Farm to School Program, and it is amazing that others are recognizing how great it is as well. It truly is a team effort and we are so grateful to Michelle Roberge, Evania Nolan, Heather Campbell-Stewart, our McLeod PAC, and the Nechako Valley Food Network for all their work and partnership with us.

Tuesday, May 17th is SD91 Share the Love Day. It is a day to honour the things that we celebrate at McLeod - love, acceptance, and inclusion. Starting with our daily promise each morning and throughout the day every day, these are things that we work on to make McLeod a place Where Everybody Belongs (WEB). This year's Share the Love activities will include an introductory message from the school district, a read-aloud of "A Family is a Family," and a family portrait art gallery. It should be a fun day filled of learning, kindness, and caring.

Don't forget that Friday is a Pro-d Day.

It is our goal to work together with you and the kids to help our McLeod students become adults who can take on the world. Please feel free to contact the school if you ever have any questions or concerns.

Proud to be McLeod

Ms. L. Hart

Honouring Caregivers and Special Loved Ones

At McLeod, we want to honour every family and every child. To make sure we can do that in a kind, caring and inclusive way, we will be shifting our focus from a traditional Mother or Father's Day approach to honouring the caregivers and special loved ones in our students lives.

NOTES ON NUMBERS

Take your War card game to a new level – there are so many variations that will help your child to better understand the value of number. Addition War, Multiplication War and Fraction War are just a few of the favourites. These are also great games to play that will help reasoning skills as many games often turn into discussions as to why someone won a

School Board Meeting

Monday, May 16, 2022

6:00 pm

Important Public Attendance Notice:

***With the current Covid-19 concerns, public attendance will be limited to virtual only. Any public wishing to join the meeting will be provided a virtual link.

We are requesting that members of the public interested in attending this meeting, contact Tracy Austin at taustin@sd91.bc.ca or 250-567-2284 prior to the meeting.

On May 17th, we will share support for people of all identities and expressions by celebrating the many different families in our community. Families and caregivers are invited to *Share the Love* by creating family portraits to be displayed in our hallway gallery on the week of May 17th.

If you would like to participate, please create your own family portrait using the picture frame template attached to this newsletter or in a way that works for you. The picture frames can be coloured in rainbow colours should you choose. Your family portrait should represent the people (and pets) that feel like family to you. Every family is unique. Please drop your family portraits off at the office or send via email to clawrence@sd91.bc.ca by Friday, May 13th.

Please see the last page of the newsletter for the frame!
