Issue 32

Hadi, Bonjour and Hello,

Happy May!!

First of all I want to express my gratitude to everyone for your support of The Wizard of Oz. We were thrilled to have such big and excited audiences. It made it all worthwhile. To the families and the cast and crew of the show, you are truly amazing! It's been a blast. I am SO proud of all of you!

This Friday some students may be receiving an interim report. This is our time to make that extra little connection before we head into the end of the school year, especially if we have concerns about progress. I encourage you to call to meet with the classroom teacher if you need any more information and to discuss any next steps.

Our next PAC meeting is on Monday, May 9th at 5:00. We can meet in person now so we would love to see you at McLeod. All caregivers are welcome.

It is our goal to work together with you and the kids to help our McLeod students become adults who can take on the world. Please feel free to contact the school if you ever have any questions or concerns.

Proud to be McLeod

Ms. L. Hart

Please send your own cutlery from home with children's snacks and lunches. Our kitchen is unable to regularly supply these to students except for with hot lunch purchases.

May 25—Track and Field meet at FLESS

Honouring Caregivers and Special Loved Ones

At McLeod, we want to honour every family and every child. To make sure we can do that in a kind, caring and inclusive way, we will be shifting our focus from a traditional Mother or Father's Day approach to honouring the caregivers and special loved ones in our students lives.

NOTES ON NUMBERS

Have you thought about learning card tricks with your child? Card tricks that work using math (not slight of hand) are excellent for building "figuring out" skills. One trick that is easy to learn is called the Four Aces Card Trick. Search it up on Google, learn it with your child this week and try to figure out why it works. No peeking online!

The approved calendar for 2024/2025 is now published on the SD91 website

May 5 is National Missing and Murdered Indigenous Women and Girls Awareness Day, a time when communities and our allies wear red and gather to remember, honor, and give voice to women whose stories have not been heard. Being on Highway 16, the Highway of Tears, makes this day especially relevant to this region, particularly for those community members who are from the surrounding 14 First Nations. This day, called Red Dress Day, is recognition that Indigenous women and children are at increased risk of their personal safety and is a call to action to our communities to change this narrative.
