Issue 18

Hadi, Bonjour and Hello,

There are few things keeping us extra busy with learning, kindness and caring in the next little while:

Friday, January 27th

- * It's Beach Day! Let's dress like we're heading to the beach no matter what the weather brings outside. Term Two interims will also be coming home this day. This is our mid-term communication about learning progress. Our teachers would love to chat more with you if you wish. Just reach out and connect.

Monday, January 30th

- * We are very excited that theatre is back in Vanderhoof. Some of our classes will be headed over to NVSS this morning to see the Vanderhoof Children's Theatre production of "The Little Mermaid." Other classes will see the show on February 6th. Can't wait!
- * This afternoon is our McLeod Science Fair. We have many scientists who have been working very diligently on their projects. They'll be on display in our library at 2:00 and we invite you to check them out. A special thanks to all our volunteer judges and to Mme Susie for her leadership.

Tuesday, January 31st

- * This is National Hot Chocolate Day! Our PAC is supplying hot chocolate for all our classes to enjoy. Thank you PAC!

Remember, our theme this year is "Me, You and Us!" It is our goal to work together with you and the kids to help our McLeod students become adults who can take on the world. Please feel free to contact the school if you ever have any questions or concerns.

Proud to be McLeod

Ms. L. Hart

More from our 2022-2023 McLeod School Plan:

OUR IMBEDDED STRUCTURES TO SUPPORT OUR GOALS and the SD91 STRATEGIC PLAN

To support each of our goals we have created structures that we use, monitor, and adjust as we concentrate on working with staff to provide academic, emotional and/or social support for every student. This includes:

TLT (Talk About Learning Time) ~ Engaging Our Workforce

TLT is our Talk About Learning Time. It is our collaboration/professional learning community. Our staff meet in primary and intermediate groups. Each group meets every other week. Our Support Staff group also meets. As needed, our French teachers meet as a group as well.

In TLT in 2022-2023, our primary group is focusing on our continued work in number sense with attention to Indigenizing our practice. Our intermediate TLT is working on executive functioning including self-control/emotional control, time management/task initiation and organization, and a cross-intermediate numeracy games project. Our goal for TLT is to be able to "tell a compelling story about the impact of collaboration time in our school and on student learning and how we can keep our parents informed about what we are learning and how it is impacting student learning."

NATIONAL HOT CHOCOLATE DAY / JOURNÉE NATIONALE DU CHOCOLAT CHAUD.

JANUARY 31, 2023

WL McLeod PAC has decided to once again provide a hot chocolate basket to each classroom in celebration of National Hot Chocolate Day. With all our winter sports happening, this is a great way to warm up and celebrate.

Keeping in mind we want to reduce waste, we are asking students to **please bring a mug to school** (or caregivers can bring it at drop off/pick up) as soon as possible. Mugs will remain in the classroom for use over the next several weeks.

Many thanks to Act II Thrift Store for supporting this waste reduction initiative and donating 24 mugs.

Next meeting: February 1, 2023 @ 5:00pm in The Learning Centre/
Mrs. Lawrence's room @ WL McLeod Elementary.

Our PAC is also looking to fill the role of President for the remainder of this term. If you have been thinking of joining us, now is the time!

Our executive team is here to support you and nurture your growth in this role.

If you have questions or are interested, please email the PAC at wlmcleod.pac@gmail.com
