Proud to be McLeod

Ms. L. Hart

THANK YOU FOR REMEMBERING THAT
WE ARE A NUT FREE SCHOOL

Please send your own cutlery from home with children's snacks and lunches. Our kitchen is unable to regularly supply these to students except for with hot lunch purchases.

NOTES ON NUMBERS

When you are working on math at home, focus on activities that interest your child. If they like card games or board games, play them together! There are lots of games that can help to build your child's number sense. For the next few weeks, we will focus on bringing you games that you can play at home.

A Special Message for Caregivers of Grade 4 Students

Student Learning Surveys by caregivers are due on Friday at lunch to be part of the donut and pizza challenge. If you need another letter with the login information, please contact the school. This Ministry of Education electronic anonymous satisfaction survey gives us great information to track aspects of Social Responsibility at McLeod. We are very grateful that you give us feedback to help make us the best we can be.

Proud to be McLeod Productions presents our 13th Annual Production!
