Hadi, Bonjour and Hello,

Thank you to everyone who made our Dress Up Day activities a big success. We are grateful for students, staff and parents who helped us carve pumpkins, run primary activity centers and boogie the afternoon away at our Dress Up Day dance. An extra special thank you to Mrs. Fraser who joined us from EBUS again this year to teach us the special group dances and to our One McLeod Council who organized the entire dance.

Our Me to We, "We Scare Hunger" campaign was also a success. We collected 306 items to support those in need in our community. Congratulations to the top primary class, Mme Caron, who gathered 46 non-perishable food items and to Ms. Kuoppala's class who were the top intermediate class with 53 items.

Our Remembrance Day Ceremony will be at 11:00 on Friday, November 8th. We encourage you to join us if you can.

It is our goal to work together with you and the kids to help McLeod students USE THEIR HEADS AND THEIR HEARTS to be the children and adults who can take on the world. Please feel free to contact the school if you ever have any questions or concerns. We are in this together!

Proud to be McLeod
Ms. L. Hart

"As winter sets in we would just like to remind parents of Kindergarten, Grade one, and Grade two, that ride our school buses, that there must be someone at the bus stop to meet the students. We do not drop these students off if no one is there to meet them. We do this for the safety of these students. If parents would like these students dropped off without someone there to meet them, they need to contact the bus garage in their area."

Each year I ask parents to connect with me by text. I have great plans to be able send you all pictures of your kids doing great things around the school.

Turns out, I need to carry my phone around more to get that done. ☺ That being said, I really do like to be able to contact parents by text when needed. Please send me a text at 250-567-8539 so I can add you to my contacts.

Dear Parents and Guardians:

Re: Requirements Under BC's New Vaccination Status Reporting Regulation

BC's new Vaccination Status Reporting Regulation came into effect on July 1, 2019. It supports the gathering of immunization records by Public Health. The regulation applies to all students in all schools within the Province's jurisdiction, including those who are home-schooled. It does not apply to children attending schools in First Nations communities.

In the coming months our staff will check the immunization records we have on file for school age children. They will identify children whose records are missing or incomplete. Families of these children may be contacted. They will be asked to provide us with the immunization information required under the regulation. We will also let families know where children can receive immunizations.

Health authority Public Health staff already have complete immunization information on file for most children. For this reason, most families will not be contacted or need to take any further action. If you are contacted, it may only mean that we need to update some information in our files. It may not mean that your child is missing immunizations.

You can use the online [Vaccination Status Indicator tool](#) to check if your child's immunization record is missing or incomplete. It tells you if your child's immunization record is on file with public health but does not provide any details about their immunization status or history.

Collecting immunization information allows us to connect with families about the importance of disease prevention. It also helps public health to control outbreaks by quickly identifying children who are not fully immunized and helps everyone get back to learning as soon as possible.

For more information, please visit <https://immunizebc.ca/vaccination-status-reporting-regulation>.

Thank you for helping to keep our children and communities healthy.

Sincerely,

Dr. Raina Fumerton, MPH FRCPC
Acting Chief Medical Health Officer, and
Medical Health Officer, Northwest HSDA
