Issue 38

Hadi, Bonjour and Hello,

It has been a wonderful final week of 2023-2024 so far. On Monday we had a Fun Day planned and led by our intermediate students and we played our amazing school-wide BINGO. We also welcomed our new September 2024 Kindergarten students.

Thanks to our future McLeod Cares Leaders for helping with this. On Tuesday we had a kickball tournament for primary students and a baseball tournament for intermediate students. Thanks for making this happen, Mrs. Nemethy!

Our final assembly of the year will be at 10:00 on Thursday, June 27th. At that time, we will honour our year and our students. We hope you can join us. Kids will be dismissed at 12:00 that day.

A heads-up for those of you who enjoy our yummy hot lunch – in 2024-2025 we will implement a new ordering system for those who have access. It's called Munch-a-Lunch. Feel free to check it out online. We'll have lots more information about this in September.

2023-2024 has flown by. It feels like we were just doing our beginning of year planning and welcoming. The year has been a great one. We got to go back on stage for "Santa's Holiday Hoedown," we had so many sports teams, we had a full intermediate wing Science Fair and had such immense and exciting growth for numerous students. This is just the tip of the iceberg for all we have done. Thank you for being our partners in all we do. We are so honoured to work with you as a big McLeod family. I wish you the very best summer and we will see you in September.

Our theme this year has been "An attitude of GRATITUDE." It has been our goal to work together with you and the kids to help our McLeod students become adults who can take on the world. Please feel free to contact the school if you ever have any questions or concerns.

Proud to be McLeod
Ms. L. Hart
