Issue 34

Hadi, Bonjour and Hello,

Please check out the note on the menu page about the new Meal Manage ordering system which will replace MunchaLunch in September 2025.

Last Thursday we welcomed back McLeod alumni who are part of the class of 2025 and we were so proud to watch them at the NVSS grad this past weekend. They are amazing people and we are excited to see what the next steps in each of their journeys will bring. We'll be cheering them on!

On Friday McLeod will be heading over to Riverside Park to honour National Indigenous Peoples Day (one day early). We're going between 12:30 and 1:30 and we are grateful to all of those who have worked hard to organize this important event.

Remember, our final assembly of the year will be at 10:00 on Thursday, June 26th. At that time, we will honour our year and our students. We hope you can join us. Kids will be dismissed at 12:00 that day.

One last week for our 2024-2025 Be a Bridge focus. In June it's - I WILL MAKE TIME FOR REST and RELAXATION. We hope all our work this year with this theme and pledge has helped kids learn the skills and attitudes necessary to be good human beings.

It is our goal to work together with you and the kids to help our McLeod students become adults who can take on the world. Please feel free to contact the school if you ever have any questions or concerns.

Proud to be McLeod

Ms. L. Hart

School District 91 is moving to a new meal ordering program to replace MunchaLunch to start in September 2025. Meal Manage has been piloted at District secondary schools with great success. It is hoped it will address some of the shortfalls for the current MunchaLunch program. The following is an introductory letter from the SD91 Food Programs Department.

RE: Meal Manage

In rolling out Feeding Futures, the school district heard the need for an improved payment system. As such, School District 91 will be moving to a user-friendly online system to help manage lunch payments. MunchaLunch was used this past year, though has some challenges that impact the useability of the program. This includes MunchaLunch going offline June 30th – August 30th.

To align with other operations, the school district is moving to Meal Manage. Meal Manage works like MunchaLunch, with an improved layout. Other improvements:

Meal Manage has a pre-order system with a calendar view, making ordering meals quicker.

Meal Manage does not go offline for the summer. Ordering for September will be live shortly.

Meal Manage has an option to pre-load funds, which can then be used to pay for meals during the whole school year.

The online system continues to allow credit and debit payments. Cash and cheque are still accepted at the front office of the school.

****Please Note: HOW-TO SET UP AN ACCOUNT is posted on the WLM Website****

Frequently asked questions:

Q: I have credits in MunchaLunch.

A: The credits are being moved over to Meal Manage.

Q: Students are missing from my account.

A: Please contact the school or rturnerklopper@sd91.bc.ca. Students are attached to accounts by email. It is possible the email is wrong on our end.
