Issue 38

Hadi, Bonjour and Hello,

Next week is our Echo Lake week. We are so happy that each of our students gets to spend a day at camp this year.

Our final report cards of the year will be coming home on Wednesday, June 22nd. As always, please connect with the school if you any questions or concerns about reporting.

We have a few days coming up that are important because they have to do with food. **National Indigenous Day is Tuesday, June 21st.** We are honoured that McLeod students will be joining the Vanderhoof celebration planned by Carrier Sekani Family Services. Students will be walking to the celebration site by the arena/pool/ball diamond for activities and entertainment. Classes will be participating from 10:00-12:15 or 12:15-2:30. As part of the day, the Village of Vanderhoof is providing a hot dog lunch for all of our students. Students only need to bring a snack to school on this day.

On Monday, June 27th our kids will have a fun morning of activities planned by our grade 6 students. We even have a special surprise station planned. Snack will be provided by our PAC. For lunch, Mrs. Thomas and her team will be making a FREE Bannock Dog lunch for all students. Students do not need to bring a lunch or a big snack on this day. In the afternoon between 1:30 and 2:30, we want to remind you that it is our Intermediate Simple Machines Showcase. We hope you can drop by the school to see the incredible projects the students have created.

It is our goal to work together with you and the kids to help our McLeod students become adults who can take on the world. Please feel free to contact the school if you ever have any questions or concerns.

Proud to be McLeod —Ms. L. Hart

NOTES ON NUMBERS

Outdoor games are also great way to build on your child's analyzing and reasoning skills. Games such as freeze tag also integrate teamwork and social skills into strategy building. Talk to your child about how they made their decisions, "Why" did they choose to free certain people, How many people did they need to tag to win, etc. Make a play date with some other families at the park and enjoy the sunshine!

Honouring Caregivers and Special Loved Ones

At McLeod, we want to honour every family and every child. To make sure we can do that in a kind, caring and inclusive way, we will be shifting our focus from a traditional Father's Day approach to honouring the many different caregivers and special loved ones in our students' lives.
