Issue 13

Hadi, Bonjour and Hello,

Happy December everyone!

Our school has been full of singing and dancing for the last few weeks. We are working on our 2022 Christmas Concert, "Snow Biz." This year we will be creating a movie for our concert for the third year. Our students will all watch our movie in the afternoon on December 15th. We will send the link out to everyone on our newsletter list as well so you can watch it at home. If you are not on our list please give Ms. Lindsay a call and she will add you. By this point you should have info about costumes for each class from your classroom teacher. We'll start filming this Friday so please get those costumes into school as soon as possible.

Our District Parent Advisory Council has prepared an information package about who they are and what they do and "A Quick Guide for Parents: Steps to Resolving Concerns" that is attached to this newsletter. This is a great outline of steps to address issues at school when they come up. This being said, I truly appreciate the relationship we have with our McLeod families and I am so grateful that you communicate with us in an on-going way so we can look after any issues right away. Thank you for this and please never hesitate to reach out.

Remember, our theme this year is "Me, You and Us!" It is our goal to work together with you and the kids to help our McLeod students become adults who can take on the world. Please feel free to contact the school if you ever have any questions or concerns.

Proud to be McLeod

Ms. L. Hart
